

Honor Grade Rubrics

The honor grade will be determined in the following way.

- The student is expected to finish the common course requirements as other students. The instructor will determine the student's grade G using the common rubrics for the class.
- Deduct half a letter from G to get G'
- If the student has satisfied the honor requirement, add half a letter to G'
- Otherwise, keep G' unchanged.

Example:

THE GRADE FROM THE COMMON REQUIREMENTS (G)	HONOR REQUIREMENT SATISFIED?	HONOR GRADE (G')
A	N	A-
A+	N	A
A	Y	A+
B+	Y	A-
